FOREWORD

In this *Forum* of the class of 1952 we are using Latin as our theme. It has been carried out in the cover and in the sketches done by Mary Ellen Carter.

Most of the snapshots were taken by Rita Lipps, Fred Kimble, and Tommy Mosely.

The senior, junior, and group pictures were taken by the professional photographers of Mount Vernon, James Israel, Guy Lipps, and Don Garverick.

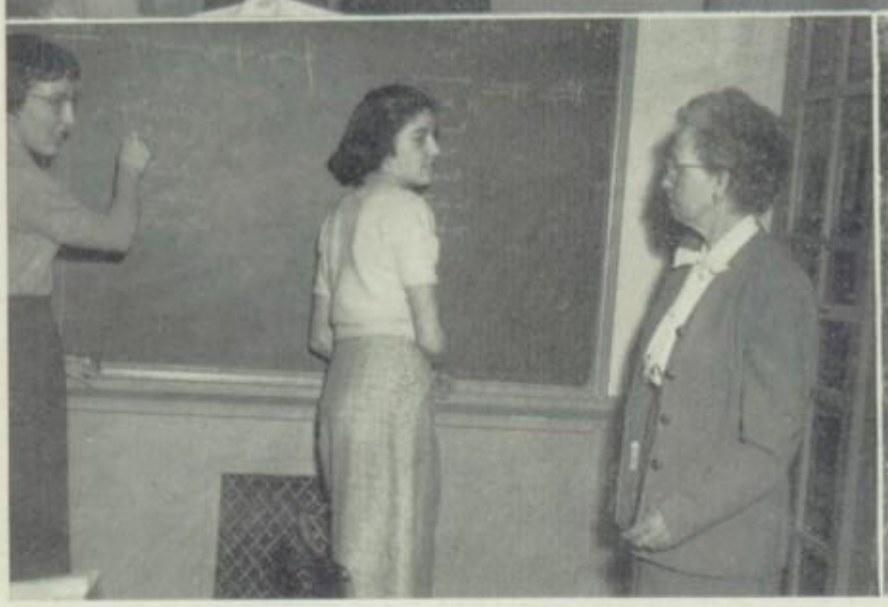
Dedication

The 1952 *Forum* editors and staff are proud to dedicate this year's annual to Mrs. Alice C. Cassell for all her interests in students. She is admired by everyone for her sense of humor and understanding of the troubles of her students. Because of her interest in her profession, we now have the Alice Cassell Chapter of the Future Teachers of America in Mount Vernon High School. For these things and the many more not mentioned, we dedicate this book to Alice C. Cassell, Latin teacher of Mount Vernon High School.

Mrs. Cassell and her classes.

Mr. and Mrs. Cassell and daughter Jean



Mrs. Cassell's son Arthur, and daughter Jean are both teachers.

Construction

Spring of this year construction on a new wing was begun back of the present Mount Vernon High School building. The music and shop departments will be located here. By relocating these departments classrooms and a large study hall will be provided for rising enrollment in the present high school now and in the future.

The music department will have room for practice and storage. The general shop will contain a wood shop, automotive shop, mechanics, graphic arts, welding, electric, drawing and sketching, foundry, and arts. There is a possibility that a plastic shop and a sheet metal shop may be included.

In Memoriam

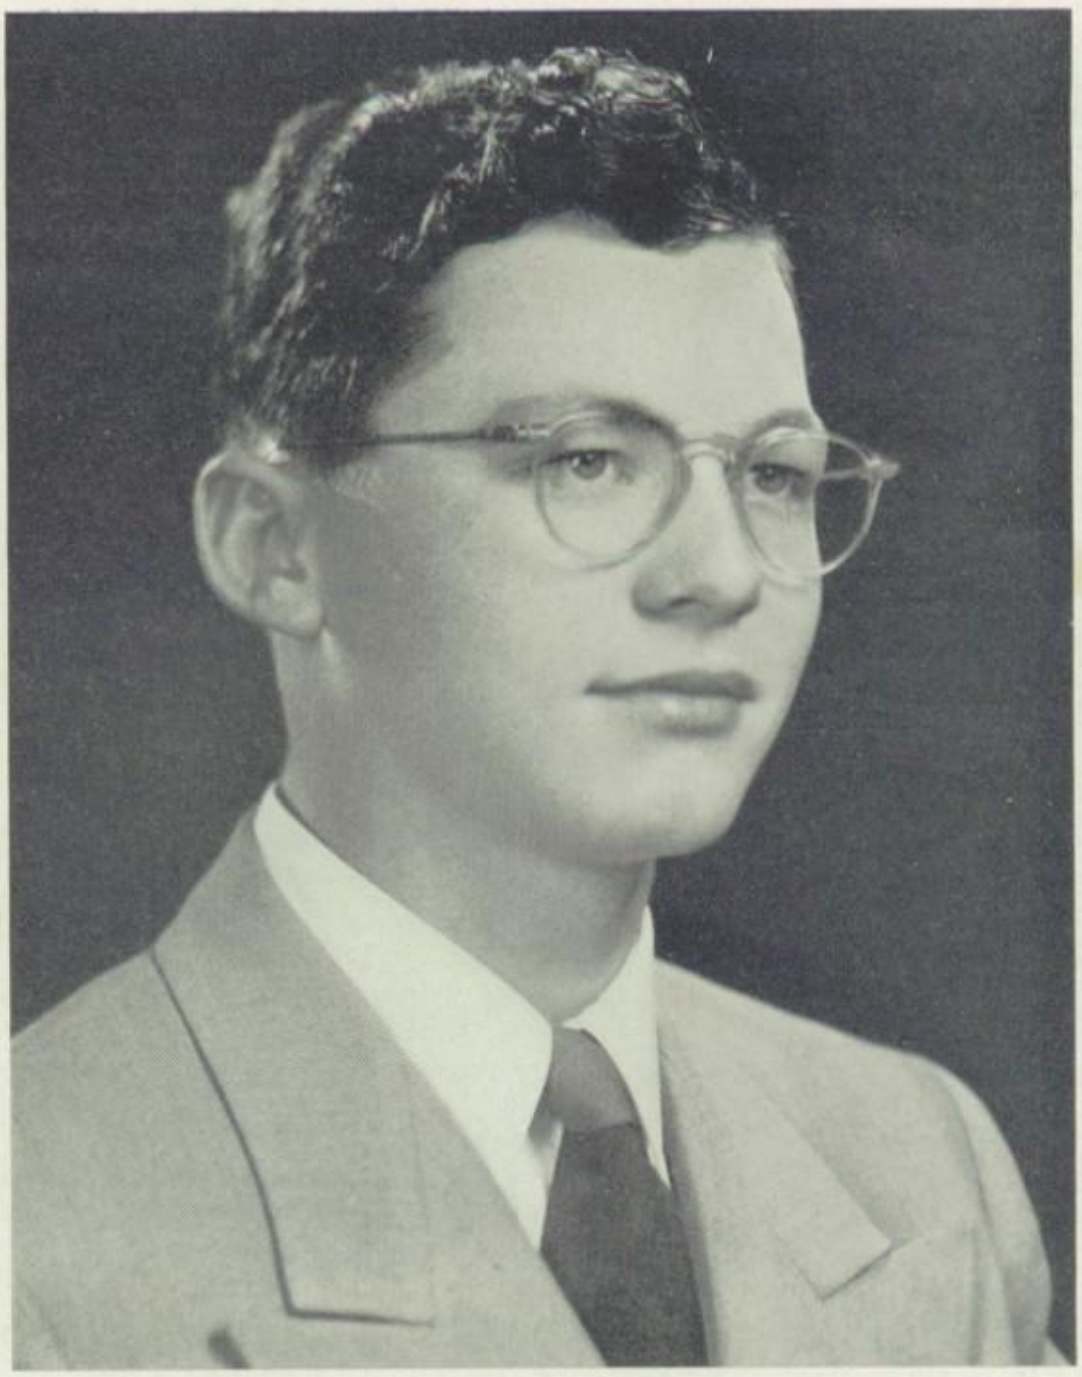
In memory of Jack Stream who was killed in an automobile accident the night of October 31, 1951. Jack, a senior, was a good student and well liked. Active in the Buck Hi-Y, he also had played reserve football for two years. In memory of Jack, the senior class gave a science book to the school library because he excelled in all sciences.



Senior Class History

In the years to come the seniors will all at sometime look back to their high school days with a smile. There was the first day that they entered the great portals of learning as inexperienced seventh graders. But they soon understood the ways of this high school and they were on their way up.

Their next great accomplishment was as juniors, when they became organized for the first time. They elected Janice Dearman as class president with Eddie Ernest as vice-president, Eugene Phillips as secretary, and Bill Everett as treasurer. That year they ordered and received their class rings and produced the comedy "Growing Pains." Their final act as Juniors was a wonderful Junior-Senior Prom.

At last that long awaited year had arrived — they were Seniors. Their first act of the year was to elect Eddie Ernest as class president. Eddie organized various committees and worked very hard seeing that all the plans went over just right. Elected to help him were vice-president, Lawrence Sperry; secretary, Carole George; and treasurer, Mary Lou Babson. That year they all saw Mary Jo Tier crowned Football Queen. Her Senior attendants were Deedra Hess and Ellen Dalrymple. The next big affair was the Forum Queen elections which found Libby Kittelberger as Queen, with Mary Jo Tier, Marilyn Hofmann, and Margaret Graves as Senior attendants. The Senior class play demonstrated the fine acting of the Seniors. Gradually the days began to pick up speed, and they suddenly realized that their high school days would soon be over. As a fitting climax to a wonderful year the Senior Prom, held at the Mount Vernon Country Club, fulfilled all their hopes.

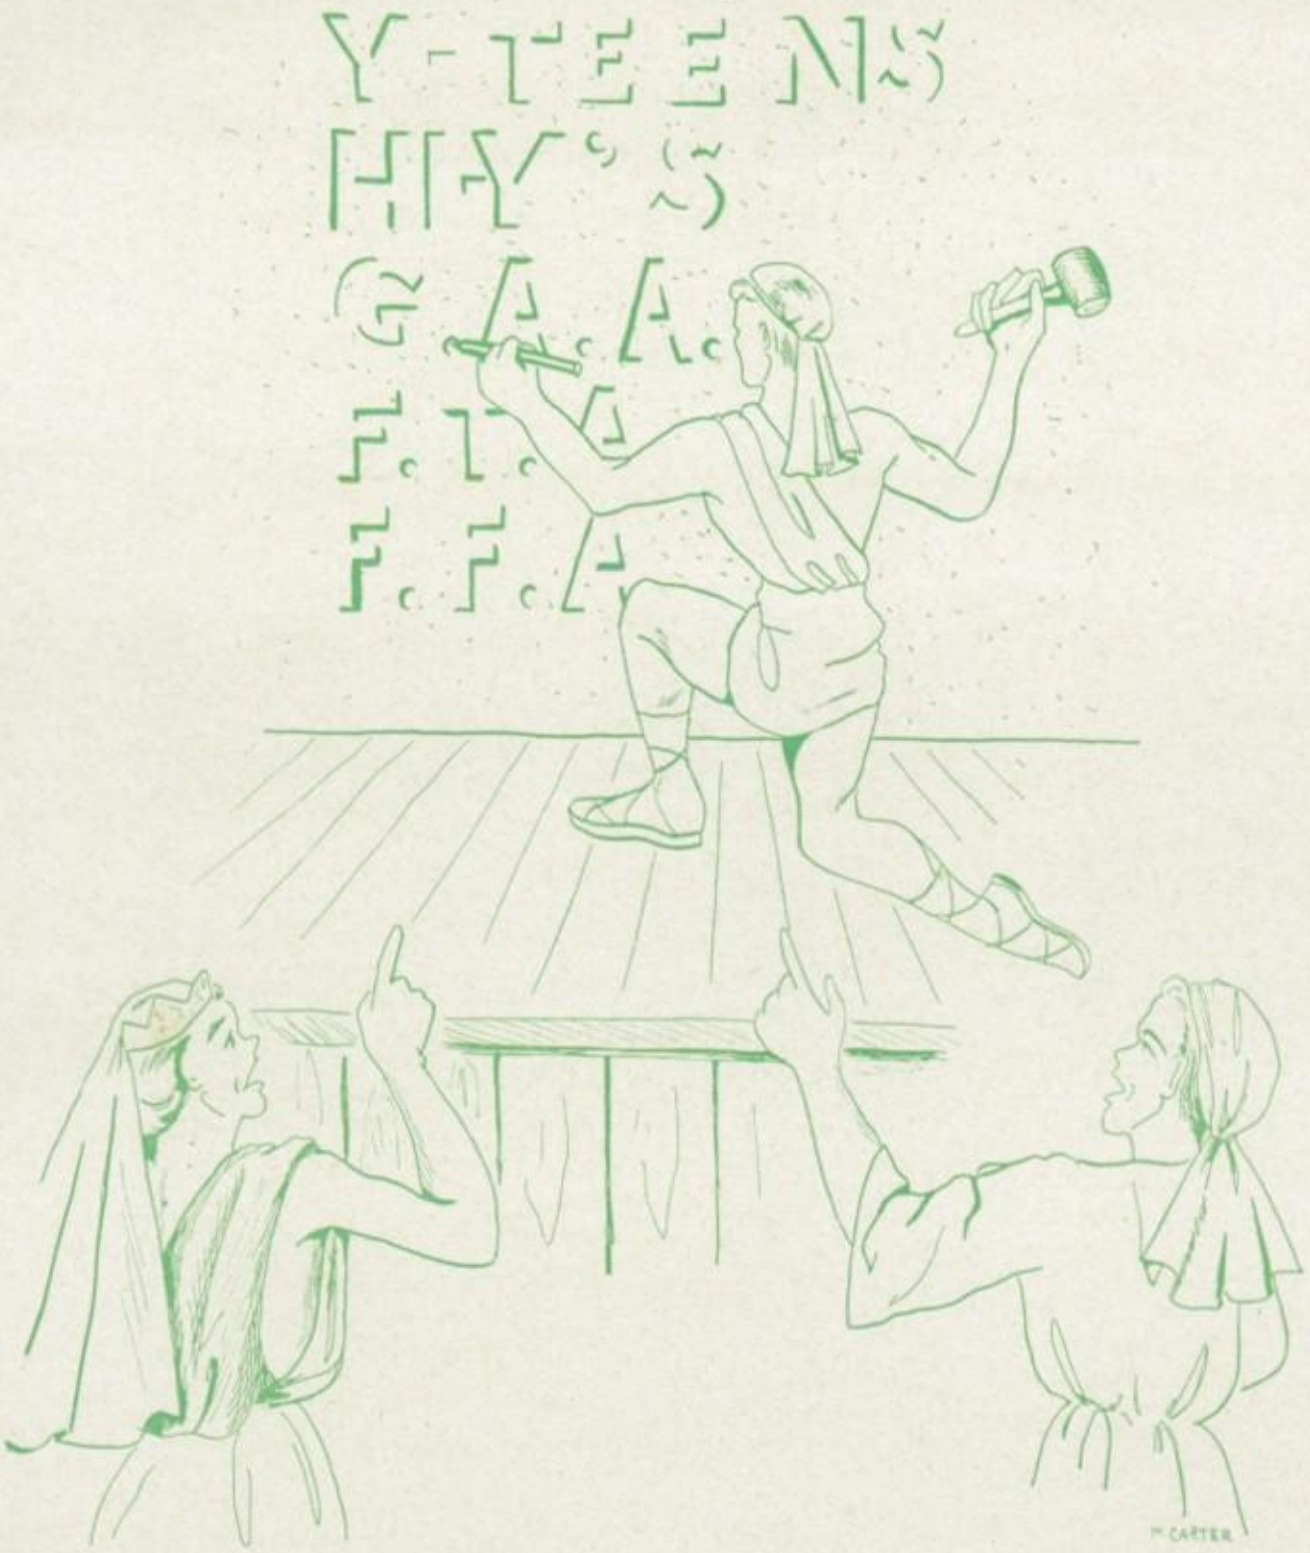
ORGANIZATIONS



Student Council

The Student Council is an organization of elected students who are the voice of the school. It tries to promote co-operation in the school, promote student welfare, and train its members to become better citizens in the school. Each home room and club or organization has the right to elect one or more persons to represent them in the Council.

The Student Council tries to promote the student welfare through various committees like the Safety, Courtesy, and the Social committees. All committees try to work for the improvement of the school and its activities.

This year the Student Council has helped in many charitable drives. It has helped with the "Red Feather," the "March of Dimes," and with the Salvation Army Drive for money to build a new citadel.

The Council sponsors the collection of a fund for assemblies which feature many noted speakers. It has also published the "Crest," a hand book with information about the school for students.

The Council earns money by sponsoring dances after ball games. The most important social event every year is the "Shamrock Shindig," an all high school party in March.

The Ohio Hi-Y was started in 1950. The first president was Bill Conard. They set up the constitution and by-laws the first year and chose Ohio-Hi-Y as their club name. These are the junior boys of the Hi-Y.

Some of the works this club has done in the year 1952 were the donation of orange juice for the varsity and reserve basketball teams, to both home and visiting teams; they gave goods to a needy family, sold "victory" ribbons during basketball season, and they had the induction ceremonies for the clubs entering the Hi-Y.

The names picked were Delta, Kappa, and Sigma. As in the past the Y-Teens held their annual formal and Mother-Daughter Banquet. For projects the Y-Teens sent chocolate bars and clothing to Germany and gave food to a needy family at Christmas. Mrs. Florence Cass and Miss Maryalice Shocky are the advisers.

In the past year the Key Club has worked at the football games selling pop and hot dogs, they started a project of making signs for over the rooms in the old building, and they played basketball with Key Club members from Newark High School and the Ohio State School for the Deaf. They had a luncheon with the Delaware Key Clubbers. The Key Club had an installation supper in which the new officers were installed.

Future Farmers of America

The Future Farmers of America leaped into another big year with 13 boys receiving the Green Hand Degree. The Parliamentary Procedure team had success in achieving their goal of a gold rating. Eugene Phillips was elected Secretary-Treasurer of District 12 at the Officers' Training School.

The F. F. A. started a new breed in the gilt chain by purchasing a Registered Berkshire gilt from Ralph Dudgeon's fine herd. Don McFarland was the proud owner of this gilt.

The F. F. A. had a successful year in public speaking rating gold in the district. Fred Ball, our speaker, placed first with a speech *A New Farm Tool.*

The show of the year was the annual F. F. A. Parent-Son Banquet held in March. The banquet summarized the year's work.

The F. F. A. sent judging teams to Ohio State University in Dairy, Sheep, Agronomy, and General Livestock. They also sent two delegates to the state convention.

Their budget was supplied by two scrap drives, seed corn sales, selling surplus chain gilts of the old breed, and Christmas card sales. Mr. Clarence Fridline is the adviser.

The pledge which the boys must sign before starting this work reads — "I promise on my honor to obey faithfully all rules and regulations for the good of this club and I will perform all assigned duties willingly, courteously, and conscientiously to the best of my ability.

I understand that carelessness, inefficiency, and improper conduct may be valid reason for suspension or permanent dismissal from the club."

The films which are shown to class groups are acquired through the State Film Service at no expense to the school. Noon movies and special films are secured through the Academy Film Service of Cleveland.

Awards are given at the end of each year to all boys who perform their duties in a manner acceptable to the adviser.

Cassell Club, Future Teachers of America

The Mount Vernon Future Teachers Club was named for Mrs. Alice Cassell who was voted favorite teacher by the F. T. A. in 1947. The club adviser is Mr. Jack Stauch and the co-adviser is Mrs. Fern Dudgeon, who was formerly the club adviser.

The purpose of the club is to learn about the opportunities in teaching, to cultivate the qualities essential in a good teacher, and to foster the development of student leadership.

Membership is open to any student in grades nine to twelve who is interested in teaching and who has the necessary qualities of character, leadership, and scholarship.

Among the projects each year is to give a fifty dollar scholarship to a senior who plans to enter the teaching profession. This year the scholarship fund was raised by giving a variety show called "Faculty Frolics." This was different from the usual variety show because the teachers furnished the talent.

Football Highlights

Starting off the season the Yellow Jackets trampled the Coshocton Redskins 20-7. Although forced to punt the first time they had the ball, the Jackets came back to score four touchdowns, one of which was nullified.

Winning their home opener 26-20, the home team kept the fans on the edges of their seats during the complete last quarter. The St. Mary's Ramblers grabbed 20 points in the last half after the Jackets had led 26-20 at the end of the first half.

A scoreless tie determined the opening game of the C. B. L. for the Jackets as they battled the Urbana Hill Climbers back-and-forth across the field. The Jackets almost scored but the clock stopped as they reached the one yard line.

Trampled by an unbeaten team, the Jackets bowed to the Delaware Panthers 51-7. In the previous year, the Jackets had won 47-0.

The 1951 Homecoming game was the third victory of the season for the Yellow Jackets as they tripped the Bobcats from Grandview 21-20. Most of the Jackets' gains came through the air.

The hardest field that the gridders were to play on was when they met the Bexley team. Things just didn't seem to click, and the Jackets were trampled 30-0. Bexley appreciated the win because it was their Homecoming.

Making their final appearance on the home field, the Jackets were downed 13-6 by the Upper Arlington Golden Bears. The home club was coming back strong in the last quarter, but the clock ran out before they had a chance to score.

Mud, snow, and below zero temperatures made the setting for the Jackets final appearance of the year. A fast, light, and scrappy group of Generals at Wooster closed the season for the Jackets by drubbing them 33-0.

The 1951 Yellow Jackets were coached by Mr. Dwight Bumpus, who was assisted by Mr. Elmer Crabbs. There was a total of 27 boys on the squad, and the manager Dick Erlanger. The gridders played a total of eight games, they won three, lost four, and tied one. They did not play in a pre-season preview but are hoping to have either one of their own or play in another next year.

John Hoyt and Jim Beckholt were named to the Central Buckeye League squad.

RICHIE ERLANGER

This year Richie Erlanger was manager and morale builder for both the basketball and football Varsity teams. Richie kept track of the uniforms and kept the fellows' spirits up with jokes and wisecracks. Richie was more or less a jack of all trades. During football season he was waterboy and stretcher bearer, and during basketball season he was floor cleaner and the teams' main rooter.

ALMA MATER

On Mount Vernon, Alma Mater,
Glorious through the years,
Brave, triumphant o'er our rivals,
Harbor for our fears.
We who love thee sing your praises,
Shout them to the sky.
When we're gone, we'll still remember
Our Mount Vernon High.
O'er the fields of triumph ever
Shall her banners fly,
Black and orange, loyal colors,
Of Mount Vernon High.

Making their best performance in the last twelve years, the cagers played a total of 18 games and won 10 of them. During the season, the boys had a string of five straight wins, a feat that hadn't been accomplished since 1942.

The squad was coached by Mr. Don Swegan, as he chalked up his best season in the three years that he has been acting as coach. Dick Erlanger acted as manager.

In the Central Buckeye League standings, the Jackets ended in third place as they won 6 games of their 10 attempts in the league. Traveling to Columbus for the Central District tournament, the Jackets were able to go only as far as the quarter-finals. They defeated Marion Harding 63-49 but returned the next night only to be beaten by Columbus North 66-49.

Two players were selected to the All-Star game. These players were John Hoyt and Norman Steagall. Norman led the All-Stars in their game with 19 points.

FOR THE FIRST TIME IN THY LIFE

DO A THING

BY THOMAS CARLYLE

HE THAT HAS done nothing has known nothing. Vain is it to sit scheming and plausibly discussing; up and be doing! If thy knowledge be real, put it forth from thee; grapple with real nature; try thy theories there and see how they hold out. Do one thing; for the first time in thy life do a thing; a new light will rise on thee on the doing of all things whatsoever. Truly, a boundless significance lies in work, whereby the humblest craftsman comes to attain much which is of indispensible use, but which he who is of no craft, were he never so high, runs the risk of missing.

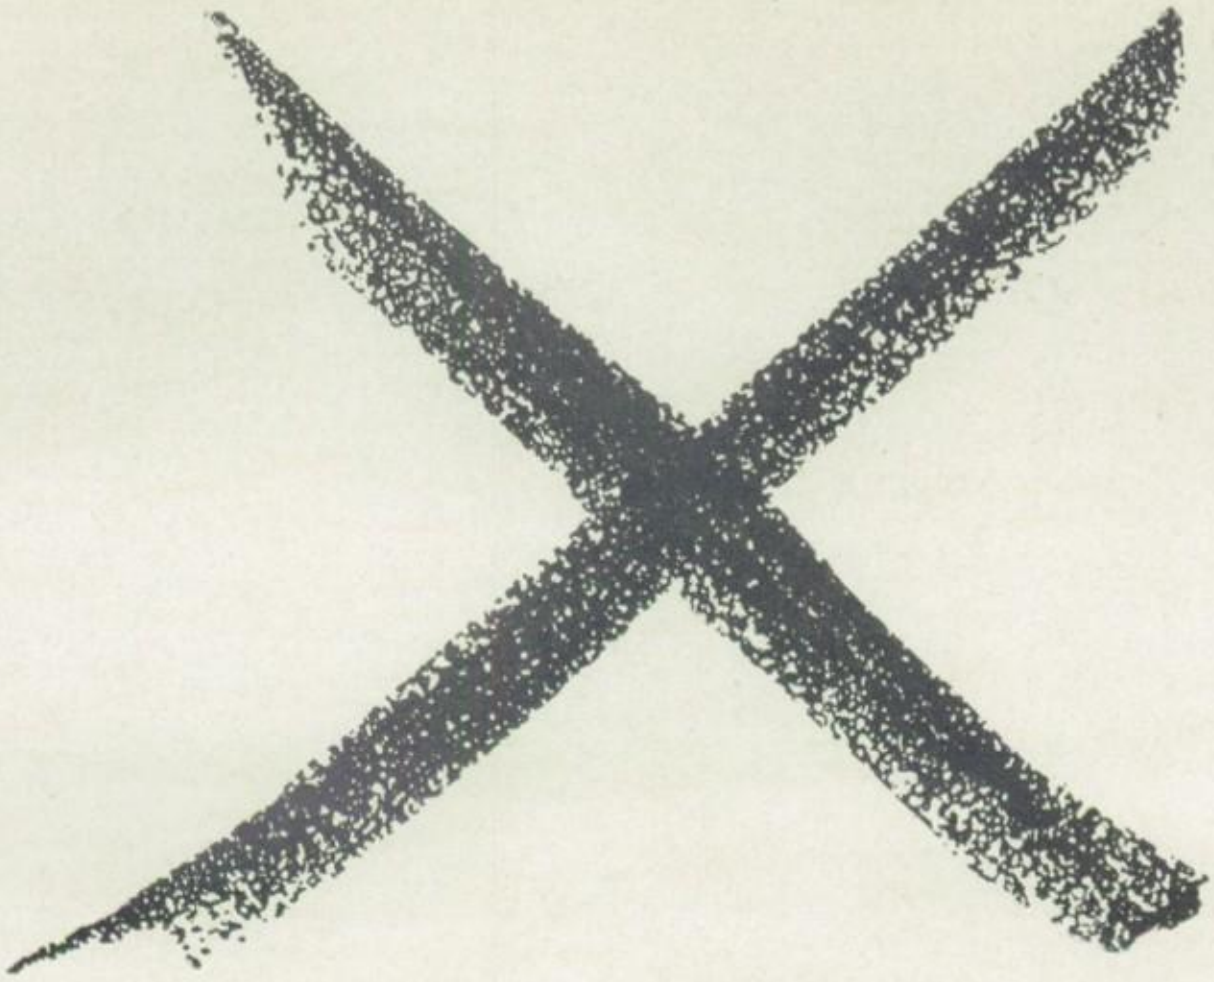
T'was the day before Christmas Vacation
Heave-Ho!



This is America's top secret!

When an American marks his X on a ballot, he can be certain of one thing. Nobody knows for whom or what he has voted. It's his secret. No one can influence or coerce him when he votes—and no one can penalize him for how he voted.

The secret ballot is one of the big secrets of a strong America. People who can vote without fear or reprisal offer little opportunity for would-be Hitlers and Stalins to take over. And while dishonesty can creep into government, the secret ballot is the one sure way honest citizens can stamp it out.

Communists would be delighted to see the secret ballot eliminated. Their kind of government doesn't succeed unless they can *tell* you how to vote. And after all, communism offers only *one* party to vote for!

We in America must make many sacrifices to combat Communist ambition. But one thing we must never sacrifice is the priceless right to think and vote according to our consciences. Nor must we ever give up any of the rights that keep this country free and independent.
